West Creston Photography Contest

In the past our Society has produced a calendar with photos from this contest, and sold the calendars as a fundraiser. This year we have decided to just run a contest to allow individuals an opportunity to show a few of

their unique shots of West Creston. There will not be a calendar produced this year.

Twenty (20) photos will be selected for voting by the public at the Corn Crickers Picnic. Four (4) photos will be chosen, one for each season, to hang (with the owner's permission at no cost) in the Community Hall for the public to view.

Please review the Rules and Instructions before submitting your entries.

These can be found on our website
