A Message From The Director

I would like to take this opportunity to thank all of our residents who keep the many programs in our area up and running. The members of the Hall Society, Fire Society, Don Turner our web master and all of the members of Area C A.P.C. Committee just to mention a few. Without all of your energy & commitment my job would certainly be extremely complex and very difficult to deal with.

On Saturday February 26, 2011 our new Premier was selected, that being Christie Clark. How this will impact rural communities will be completely dependant on who the cabinet will consist of. (More to follow).

I have invited Chief Terry Swan, Regional Fire Chief for the R.D.C.K. to give us an overview of how we can continue to move forward in our pursuit to achieve Fire Protection in all of Area C.

Regional District of the Central Kootenay

Please ensure that if you wish to apply for Columbia Basin Trust Funding, applications need to be received by the R.D.C.K. Head office in Nelson by March 7th, 2011. Also please mark 7:00 pm April 19, 2011 on your calendar for the CBT allocations meeting to be held at West Creston Hall.

You may or may not be aware of the new expanded bus route to West Creston. There is a new bus schedule being printed to include Teetzel Road to Evans Road to West Creston Road and return to the Town of Creston.

The OCP review is on going and I look forward to the residents of Area C participating in the upcoming meetings as the dates and times are announced. Also, plans are being made to remove Area C from the current OCP plan which includes Areas A,B, C and the Town of Creston. This move will give Area C autonomy and the community will be able to add and/or delete sections as we see fit with very little effort.

The R.D.C.K. Agricultural Area Plan Committee has held several public meetings around the regional district. Most notably the meetings held in the Creston Valley have been well attended with lots of positive dialogue from members from all areas of the farming community.

I look forward to seeing you at our next Town Hall Meeting on March 14th, 2011 at 7:00 pm West Creston Hall. Please join us for refreshments and latest information.
