Upcoming FoodSafe Course:

When: Saturday, February 16, 2013 (start time TBA). **Where:** West Creston Community Hall.

We have 22 pre-registered and that is a perfect class size. However if there is anyone else in West Creston who still wants to attend, please contact **Don Turner at 435-1492**.

All pre-registrants will be contacted shortly to arrange for delivery of the FoodSafe pre-course reading manual for preparation for the course.

Sponsoring this FoodSafe course is West Creston Community Hall's way of "giving back to the Community".

We hope that the volunteers find the course enlightening for the safety of those being served and especially rewarding for the youth as they move forward into the food industry.

Thank you re: Christmas Tea and Appy Night:

A heartfelt thank you to all the hardworking volunteers who made the annual Christmas Tea and Appy Night an amazing success! Members of the West Creston Wildfire Society did another outstanding job of serving tea and goodies, dressed in uniform and Santa hats, the attendees certainly enjoyed their efforts.

A special thank you to Kalen Huscroft and her group "Stringin' Along", violinists who volunteered their time and skill to entertain at Appy Night; the Christmas music was thoroughly enjoyed by all!

We appreciate all the folks who came and joined in a fun, festive lead up to the holiday season. Thank you for attending and supporting these community events.

This year again we had such an outstanding contribution of time and effort from our faithful volunteers. Their time contributed to successful community events including the Corn Crickers Picnic, Christmas Tea and Appy Night. There is such a lot of work but made manageable by many helpful hands; thank you!

Our Best Wishes for a Happy, Healthy New Year!
