## Ongoing Games Night:

Mark your calendar for upcoming Thursday evenings at 7:00 pm at the West Creston Hall. There will be carpet bowling and "other" games such as crib or if you have a favourite game bring it along and see who might be interested.

This is a great way to spend an evening with friends and neighbours. Hope to see you there.

## West Creston Fire Protection Society:

The West Creston Fire Protection Society has two announcements, the first is the role of Public Awareness and Education.

On April 26th & 27th the Fire Society will be running FREE of charge for West Creston residents, an S-100 Basic Fire Suppression & Safety course. There will be 30 spots available for this session. This course is a requirement for anyone interested in becoming a fire fighter both for structural and forestry.

To reserve a spot or if you would like more information, please call 250-428-9779; leave your full name and a contact phone number. We hope you will take advantage of this opportunity as you are your first line of defense against a fire.

The second announcement is regarding the Society's volunteers. Regardless of the outcome of the petition for a fire service with Creston, the West Creston Fire Protection Society will be suspending our role as fire fighters. We will continue with the public awareness and safety, plus fund raising for a future fire hall for the community of West Creston.
