As spring comes we do tend to get busier, but don't forget to take some time to join in on some community activities at your West Creston Community Hall.

Carpet Bowling was a lot of fun over the winter months but is now finished for the season.

Qigong Practice has been very well received and will continue at least until the end of June.

Watch the community signs!

CBT Grant Meeting

Director Binks will be revealing the applications for Area C's portion of the 2015 CBT Initiatives Grants on **Tuesday, April 7th at 7:00 pm.**

Applicants will be given the opportunity to address the public and answer questions about their projects.

"Thank you" to Director Binks and Columbia Basin Trust for your continued support of our West Creston projects.

Ethnic Dinner

Be a part of our 3rd community ethnic dinner on **Saturday, April 18th at 6.00 pm.**

The theme is **Mexican**. Wear your favorite sombrero for a shot at a prize. Only 60 tickets will be sold at \$10 each. For tickets, call Karen at 402-6787.

We will be celebrating our 2015 West Creston Grads at this event.

Community Clean-Up

This could be your contribution toward keeping our community roadways cleaner! Please volunteer and walk the ditches in your area to pick up trash.

Saturday, May 2nd 9 am to noon

Meet at the Hall, grab your safety vest and garbage bags and be dispatched to your designated area. Walk the ditches, bag it, leave it, and trucks will come by around noon to retrieve it.

Some pickups will be needed for the collection of the bags along the roadways.

When the work is done, we'll have a BBQ at the Hall.

All volunteers are welcome...the more the better!

Hall AGM

West Creston Community Hall Society will be having their Annual General Meeting on **Tuesday, April 14th at 7:00 pm.**

Agenda: Financial reporting, project updates, and election of officers.

Fire Protection

The Creston Fire Service will be holding practice sessions at the West Creston Community Hall **every Wednesday evening starting May 6th at 6 pm.**

This is a temporary location until the new fire station is built in a few months.

More volunteer firefighters are needed. Get paid while being trained and on call-outs. For any young person out there, this is a great opportunity to start a career in firefighting. If interested, contact Asst. Chief Jared Riel at 250-428-2214 ext. 522.

April is Free Landfill

Bring your biodegradable debris (branches, grass, leaves, etc) to the Creston Valley Landfill during April and RDCK will waive the dump fees.

Avoid burning and improve the quality of the air we breathe!
